- While **in school settings**, participants will be required to maintain physical distancing.
- While **in the Ultimate Goal**, participants will have the opportunity to play with other children in their small, static group, share clean materials, and collaborate on activities.

DROP OFF & PICK UP AT SCHOOL

Drop offs will be ongoing at the elementary schools from 7am-8:35am. Families will NOT be permitted to enter the school building. We ask that you plan for a few extra minutes during drop off. Everyone at the door for drop off over the age of 2 should be wearing a mask. When you arrive, please call your site cell phone number. A YMCA staff member will come to greet you at the door. At that time, we will collect your child's health screening paper for the school and take your child's temperature. YMCA staff will escort your child to the program space. Photo IDs are required for pick-up.

DAILY HEALTH SCREENING

Staff and participants must complete a daily health screening prior to entering program space. Temperatures must be *below* 100.0 degrees and all answers must be "No" to the following health screening questions.
