YMCA CAMP EVERGREEN GOALS

Character and leadership development is at the heart of what camp does for campers each and every day at Camp Evergreen. We strive to make our campers more independent, critical thinkers who understand the joys of being outside, with new friends, and being part of a community that has been impacting lives since our first summer in 1933. YMCA Camp Evergreen programs provide opportunities each day to try something new and learn something that you didn't know before camp, while maintaining the four core values: caring, respect, responsibility, and honesty. Our cause is to strengthen community, and we strive to do that in every activity at camp!

CIT PROGRAM

The Counselor-In-Training program is for teens who have completed the 9th grade and have a desire to work with youth in a group setting. The program focuses on developing and enhancing valuable leadership traits in a fun, safe, and values-oriented environment. Through interactive training, team-building activities, and hands-on learning experiences, teens will foster the skills necessary for serving youth in a positive work environment. The summer will conclude with a CIT celebration.

CAMP STAFF

You can depend on the YMCA to make sure that Camp Evergreen and activity areas are well-supervised. Our staff are well-trained before and during the summer and are attentive to details. As role models, camp staff are selected for sound judgment, maturity, experience, and enthusiasm. Many staff are camp alumni. In addition to specialty staff, counselors, and lifeguards, the camp also has an on-site Medical Director. All staff members are interviewed and go through a complete background check prior to being hired. Pre-camp training topics include safety, character development, behavior management, and emergency procedures.

INCLUSION SUPPORT SERVICES

The Hal Welsh East Area Family YMCA is proud to partner with AccessCNY to provide support services to children with special needs through the Office for People with Developmental Disabilities (OPWDD). Through this partnership the Y is able to provide 1:1 or shared support counselors to children who qualify at no additional cost to the family. The Y also raises money for our annual campaign to provide support to campers who do not qualify for our grant funding. Campers of all abilities are able to enjoy summer camp in a safe, supportive, and inclusive environment.

Support counselors are available on a first-come, first-served basis. Each camper may receive support for 1 session. For more information, please contact Laura Mangano-Smith, Inclusion Director, at (315) 637-2025 x211 or lmsmith@ymcacny.org.

The Chill Zone

While our goal is to have each camper fully engaged in every activity, we understand that children with special needs may need breaks throughout the day. The Chill Zone is equipped with different materials like Play-Doh, coloring supplies, fidget toys, and a quiet corner as well as air conditioning. The playhouse also serves as an area where campers who need full assistance changing can be supported while maintaining the camper's privacy.
