## FINANCIAL AID

We participate with DSS. Scholarships are available for families who do not qualify for DSS. Updated applications are required each school year.

## VACATION/HALF DAYS

Vacation and Half Days will be available for current before school, after school, and remote day participants only. Single days will be available for individual registration. A \$5/day non-refundable deposit will be due at the time of registration. The remaining balance for each month of Vacation and Half Days will be due on the 1st of the month. (Ex. Veteran's Day and Thanksgiving Break days will all be due on November 1st.) Written cancellations must be received by the 15th of the month prior to withdraw from the next month's Vacation and Half Days.

## INCLEMENT WEATHER POLICY

### Snow Days and Delays

If the District calls a **Snow Day** and North Syracuse CSD also has a Snow Day, program will be offered at the North Area Family YMCA. If NSCSD does not also have a snow day, we are unfortunately unable to staff the full day program and it will not be offered.

Snow Day program runs from 8:30am-6:00pm. Registration will be online by 6:30am and is \$25/day. Participants must pack a healthy lunch, water bottle, appropriate outdoor clothing and any medication needed for the day with written consent forms.

Before School will be offered for **Snow Delays** from 8:30am until dismissal.

### Early Dismissals

If school has an early dismissal (ex: 1:00 pm) due to poor weather conditions, the YMCA PM programs are cancelled. Children must either be picked up from the school or ride the bus home. **If only after school activities for the district are cancelled**, YMCA program will still operate until 6pm unless specifically advised by the school district.

# 2021-2022 BREWERTON ELEMENTARY - YMCA SCHOOL AGE CHILD CARE

## HEALTH & SAFETY

All staff and participants must wear a mask when in the building or outside when unable to physically distance. Mask breaks will be provided during meal times and when we can ensure all participants are safely distanced. Toys from home are not permitted in any program.

- While **in school settings**, participants will be required to maintain physical distancing.
- While **in the YMCA building**, participants will have the opportunity to play with other children in their small, static group, share clean materials, and collaborate on activities.

## DAILY HEALTH SCREENING

Staff and participants must complete a daily health screening prior to entering program space. Temperatures must be *below* 100.0 degrees and all answers must be "No" to the following health screening questions.

- Do you have any new or worsening COVID-19 related symptoms?
- Have you been exposed (Rule of Thumb: Within 6 feet for longer than 10 minutes) to anyone who has tested positive for COVID-19 in the past 14 days?
- Have you had a positive COVID-19 test in the past 14 days?
- Have you taken any fever-reducing medication in the past 8 hours?

## DROP OFF & PICK UP AT SCHOOL

Drop offs will be ongoing at the elementary school for Before School from 6:30am-8:45am. Remote Day drop off and pick ups will be ongoing between 6:30am and 6pm. Families will NOT be permitted to enter the school building. We ask that you plan for a few extra minutes during drop off. Everyone at the door for drop off over the age of 2 should be wearing a mask. When you arrive, please call your site cell phone number. A YMCA staff member will come to greet you at the door. At that time, we will conduct the health screening and take your child's temperature. YMCA staff will escort your child to the program space. Photo IDs are required for pick-up.

## DROP OFF & PICK UP FOR VACATION/SNOW DAYS AT THE NORTH FAMILY YMCA

Participants may be dropped off or picked up at the YMCA anytime during program hours. For ease of scheduling for the whole group, we prefer participants try to arrive by 9am and pick-up after 3pm. If you plan to drop off or pick up between 9am and 3pm, please notify our team. At the Y, families will be permitted to enter the building. Everyone entering the building should complete a self-health screening prior to arrival. Please only send one adult into the building to drop off or pick up your child(ren) and limit additional children you bring in, as much as possible. Everyone over the age of 2 must wear a mask to enter the YMCA.

When you arrive, please check the location board at the double doors for the program location. Escort your child(ren) to the location, maintaining 6 feet from all other members. A YMCA staff member greet you in the program space and conduct a health screening for your child, including the questionnaire and temperature check. **Photo IDs are required for pick-up.**
