# 2020-2021 NORTH SYRACUSE CSD – YMCA SCHOOL AGE CHILD CARE

## HEALTH & SAFETY

All staff and participants must wear a mask when in the building or outside when unable to physically distance. Mask breaks will be provided during meal times and when we can ensure all participants are safely distanced. Toys from home are not permitted in any program.

- While **in school settings**, participants will be required to maintain physical distancing.
- While **in the YMCA building**, participants will have the opportunity to play with other children in their small, static group, share clean materials, and collaborate on activities.

## DROP OFF & PICK UP AT SCHOOL

Drop offs will be ongoing at the elementary schools from 7:10am-8:45am. Families will NOT be permitted to enter the school building. We ask that you plan for a few extra minutes during drop off. Everyone at the door for drop off over the age of 2 should be wearing a mask. When you arrive, please call your site cell phone number. A YMCA staff member will come to greet you at the door. At that time, we will collect your child's health screening paper for the school and take your child's temperature. YMCA staff will escort your child to the program space. Photo IDs are required for pick-up.

## DROP OFF & PICK UP FOR VACATION/SNOW DAYS AT THE NORTH AREA FAMILY YMCA

Participants may be dropped off or picked up at the YMCA anytime during program hours. For ease of scheduling for the whole group, we prefer participants try to arrive by 9am and pick-up after 3pm. If you plan to drop off or pick up between 9am and 3pm, please notify our team. At the Y, families will be permitted to enter the building. Everyone entering the building should complete a self-health screening prior to arrival. Please only send one adult into the building to drop off or pick up your child(ren) and limit additional children you bring in, as much as possible. Everyone over the age of 2 must wear a mask to enter the YMCA.

When you arrive, please check the location board at the double doors for the program location. Escort your child(ren) to the location, maintaining 6 feet from all other members. A YMCA staff member greet you in the program space and conduct a health screening for your child, including the questionnaire and temperature check. **Photo IDs are required for pick-up.**

## DAILY HEALTH SCREENING

Staff and participants must complete a daily health screening prior to entering program space. Temperatures must be *below* 100.0 degrees and all answers must be "No" to the following health screening questions.

- Do you have any new or worsening COVID-19 related symptoms?
- Have you been exposed (Rule of Thumb: Within 6 feet for longer than 10 minutes) to anyone who has tested positive for COVID-19 in the past 10 days?
