WHAT WE STAND FOR AS A COMMUNITY ORGANIZATION

The Y is the leading nonprofit committed to strengthening community by connecting all people to their potential, purpose and each other.

Working locally, we focus on empowering young people, improving health and well-being, and inspiring action in and across communities. By bringing together people from different backgrounds, perspectives and generations, we ensure that we all have access to the opportunities, relationships and resources necessary to learn, grow and thrive.

THE Y IS FOR ALL

The Y is made up of people of all ages and from every walk of life working side by side to strengthen communities. Together we work to ensure that everyone, regardless of ability, age, cultural background, ethnicity, faith, gender, gender identity, ideology, income, national origin, race or sexual orientation has the opportunity to reach their full potential with dignity.

Our core values are caring, honesty, respect, and responsibility—they guide everything we do.
