

YMCA Preschool NORTHWEST FAMILY YMCA

Our Preschool at the Northwest Family YMCA is an excellent place for your child to have diverse learning experiences. Our Philosophy is to encourage your child's individual development to the fullest extent through activities that build a healthy spirit, mind, and body.

Program Goals

Our teachers develop a program which implements the following objectives:

- Provide a creative and stimulating learning environment
- Build your child's self-esteem
- Develop and nurture positive attitudes toward fitness, nutrition, personal health, and hygiene habits
- Meet the emotional, physical, and intellectual needs of your child

Preschool Teachers

Our teachers are well-trained, with many years of experience in early childhood education settings. Each teacher attends workshops to learn and develop new techniques to educate your preschool child. The Y teachers are energetic and nurturing. Class ratios are 1:7. Your child is our top priority at our YMCA Preschool!

2021-2022 Programs:

Monday/Wednesday/Friday program \$140 per month - YMCA Member
9:30am to 12:00pm \$155 per month - Non-Member
This class is open to students ages 3-5 who are potty trained.

Schedule

Our program follows the Baldwinsville Central School district calendar for scheduled days off and snow days. The 2021-2022 program starts Monday, September 13, 2021 and runs through Friday, June 10, 2022. Payments are due on the first day of the month. Our fee is based on total days in the program divided by 10 months of the payments. The rate does not change during shorter months.
