SIBLING DISCOUNT

If you have more than one child registered for the same program, you are eligible to receive a 15% discount for each additional child. This discount is manually added by the School Age Childcare administration office after registration.

FINANCIAL AID

We participate with the Onondaga County Department of Social Services to provide financial assistance to families that meet the eligibility requirements set by the county. Scholarships are available for families who do not qualify for DSS assistance; however, families must provide the School Age Childcare administration office with a denial letter from DSS to be eligible to apply for the YMCA scholarships. If you receive financial assistance through DSS, it is required that your child is in their registered program at least 60% of the time (3/5 days per week).
